

COVINGTON HOMES

BUILDING COMMUNITIES. GIVING BACK.

BUILDER OF THE YEAR!

Covington Homes has been given the great honor of the 'Builder of the Year' award by the St Jude Children's Research Hospital. Covington Homes has made a long-term commitment to partner with the St Jude Children's Research Hospital as the St Jude Dream Home Builder in Southern Colorado. For the past two years, Covington Homes has built the Colorado Spring St Jude Dream Home at zero cost! This means that all of the proceeds from the ticket sales of the Dream Home go directly to St Jude Children's Research Hospital. In fact, Covington Homes and our trade partners have done an amazing job in supporting St Jude's lifesaving mission and have helped to raise over \$2.7 million dollars in the past three years to fight childhood cancer and other life-threatening diseases.

Service and compassion for others have always been the cornerstone of Covington Homes' culture. Covington Homes is the Builder that Gives back. The entire Covington Homes Team is truly a group of people who care about the community and care deeply about giving to others.

The St Jude Dream Home gives the Covington Homes team and our trade partners the incredible opportunity to go to work each day and make a difference in the life of a child. The St Jude Dream Home is also a reminder that we should all strive to make each day better than the last one.

Under the leadership of Grace and Ron Covington, Covington Homes has continued grow, continued to thrive, and has become the builder that builds more than just homes – "We build community". From the beginning, Covington Homes has focused on building incredibly beautiful homes, having a strong presence in the building industry, giving back, helping others, and building community.

Covington Homes is celebrating a fantastic milestone this year- its 10th year anniversary. Since its founding in 2008, Covington Homes continues to be among the top builders in Colorado Springs and El Paso County.
